

18.26 Network

Turning Your Vocation into Mission

Connecting, Coaching, Caring

The 18.26 Network has had a great start for our first year connecting people desiring to fulfill God's Great Commission through their jobs. There are many MTW teams and Global Partners who need people to serve with them and we are hearing from many who feel called to serve. It has been a blessing getting to know so many liked-minded people! We wanted you to see where we are after only one year in operation.

- Number of people on the field who have connected with the 18.26 Network – 10
- Number of people applied but not on the field – 6
- Number of people who have contacted us with interest in serving - 27

Praise For:

1. Churches and Individuals who have chosen to support and encourage us.
2. Teams and Vocational Missionaries working well together to see the Kingdom work expanding.
3. MTW's support and encouragement.

Prayer Requests:

1. We have several people interested in serving with teams that need jobs. Pray for them as they seek the job that God has for them.
2. For the three people on the field and the five others who hopefully will go in the next 9 months.
3. For our team as we talk to people who want to go and care for those going or who are on the field.
4. Jud and Jan as they settle back at home in Belgium after extended travels in the US.
5. Carl as he travels to visit churches and Presbyteries.

Highlighting One of our Vocational Missionaries
